Trex®

it's time to
go all out

THERE'S YOU.

THERE'S THE SPACE AROUND YOUR HOUSE.

AND THEN THERE'S TREX®.

And with a little imagination,
amazing things can happen
in between.

The possibilities you'll find with Trex begin where form beautifully meets function. As you'll see, Trex is more than just a creator of great decks with proprietary technology. By adding foresight to technique, we've come to stand for outdoor living in the most innovative way possible.

With additions like tough-as-nails white fascia that takes any space up a notch to aluminum railing that expands your view; from steel substructures as advanced as our decking to a new way to get two spaces out of one, you and your outdoors get to apply our expertise not just to decking, but to living.

Call it perfection by design.

*Even our most specific features
are engineered for beautiful
outdoor living.*

Trex® LIMITED RESIDENTIAL
25 YEAR WARRANTY + 25 YEAR FADE & STAIN WARRANTY

INDUSTRY-LEADING WARRANTIES
As the leader in outdoor living,
it's only fitting that our decades-long
warranties outlast all others.

SHELL TECHNOLOGY
Traditional composite core wrapped in a
high-performance protective shell.

HIDDEN FASTENERS
The Trex Hideaway® Hidden Fastening
System is an option with grooved-
edge boards for perfectly consistent
spacing and no visible screws on top.

ALWAYS GREEN
Our products are made from
recycled materials, and our processes?
As eco-friendly as they come.

PRECISE ENGINEERING AND HIGH DESIGN MAKE A WORLD OF GOODS

decking: Transcend® in
Spiced Rum & Tree House
railing: Transcend in
Tree House with round
aluminum balusters
also featuring:
Trex® Outdoor Lighting™,
Trex Fascia and
Trex Outdoor Furniture™

WHEN YOU IMAGINE THE VIEW FROM YOUR DREAM DECK,

can you still see the big picture?

At Trex, we look at things holistically. In fact, we take a systematic approach to perfection with products that deliver a final result that is greater than the sum of its parts. So, technically speaking, your outdoor space is more than just decking. It's also railing. And framing. Possibly a pergola. Lighting. And definitely furniture.

It's a package deal. Without railing, for example, you'd have nowhere to hang wet pool towels. Without steel framing, even the most masterful deck might warp or wave.

Your vision for your own outdoors is reflected in your every choice—right down to the handrails. So whether you're playing host or homebody, Trex® makes it simple to create the kind of outdoors your life demands. Whatever your luxury point, Trex offers more essential options to pair with your decking than you ever even considered.

As you'll see, we don't skimp on the details. That way, you won't either.

Actually, it *is* easy
BEING GREEN

decking:
**Transcend® in
Spiced Rum**

Trex was built upon green principles and values, from our innovative materials to our sustainable processes. In fact, in all our years in the decking and railing business, we haven't felled a single tree. *Not one.*

decking: Transcend® in Rope Swing
also featuring: Trex Fascia in Vintage Lantern

Our decking, in addition to reclaimed wood and sawdust, used to be plastic packaging. (We happen to be one of the largest plastic recyclers in the U.S.). Most of our products are made almost completely from recycled materials, which means Trex saves 400 million pounds of plastic and wood from landfills each year.

Plus, Trex strives to make its proprietary manufacturing methods as green as possible. We recycle our factory runoff and refuse back into the manufacturing line, and some plant hydraulics are even powered by vegetable oil. So our decking, railing and steel deck framing contribute to LEED points on any building.

At Trex, we do the extra work to make everyone's leisure time that much more pleasurable. And we've been this way for nearly 20 years—well before green was a buzzword.
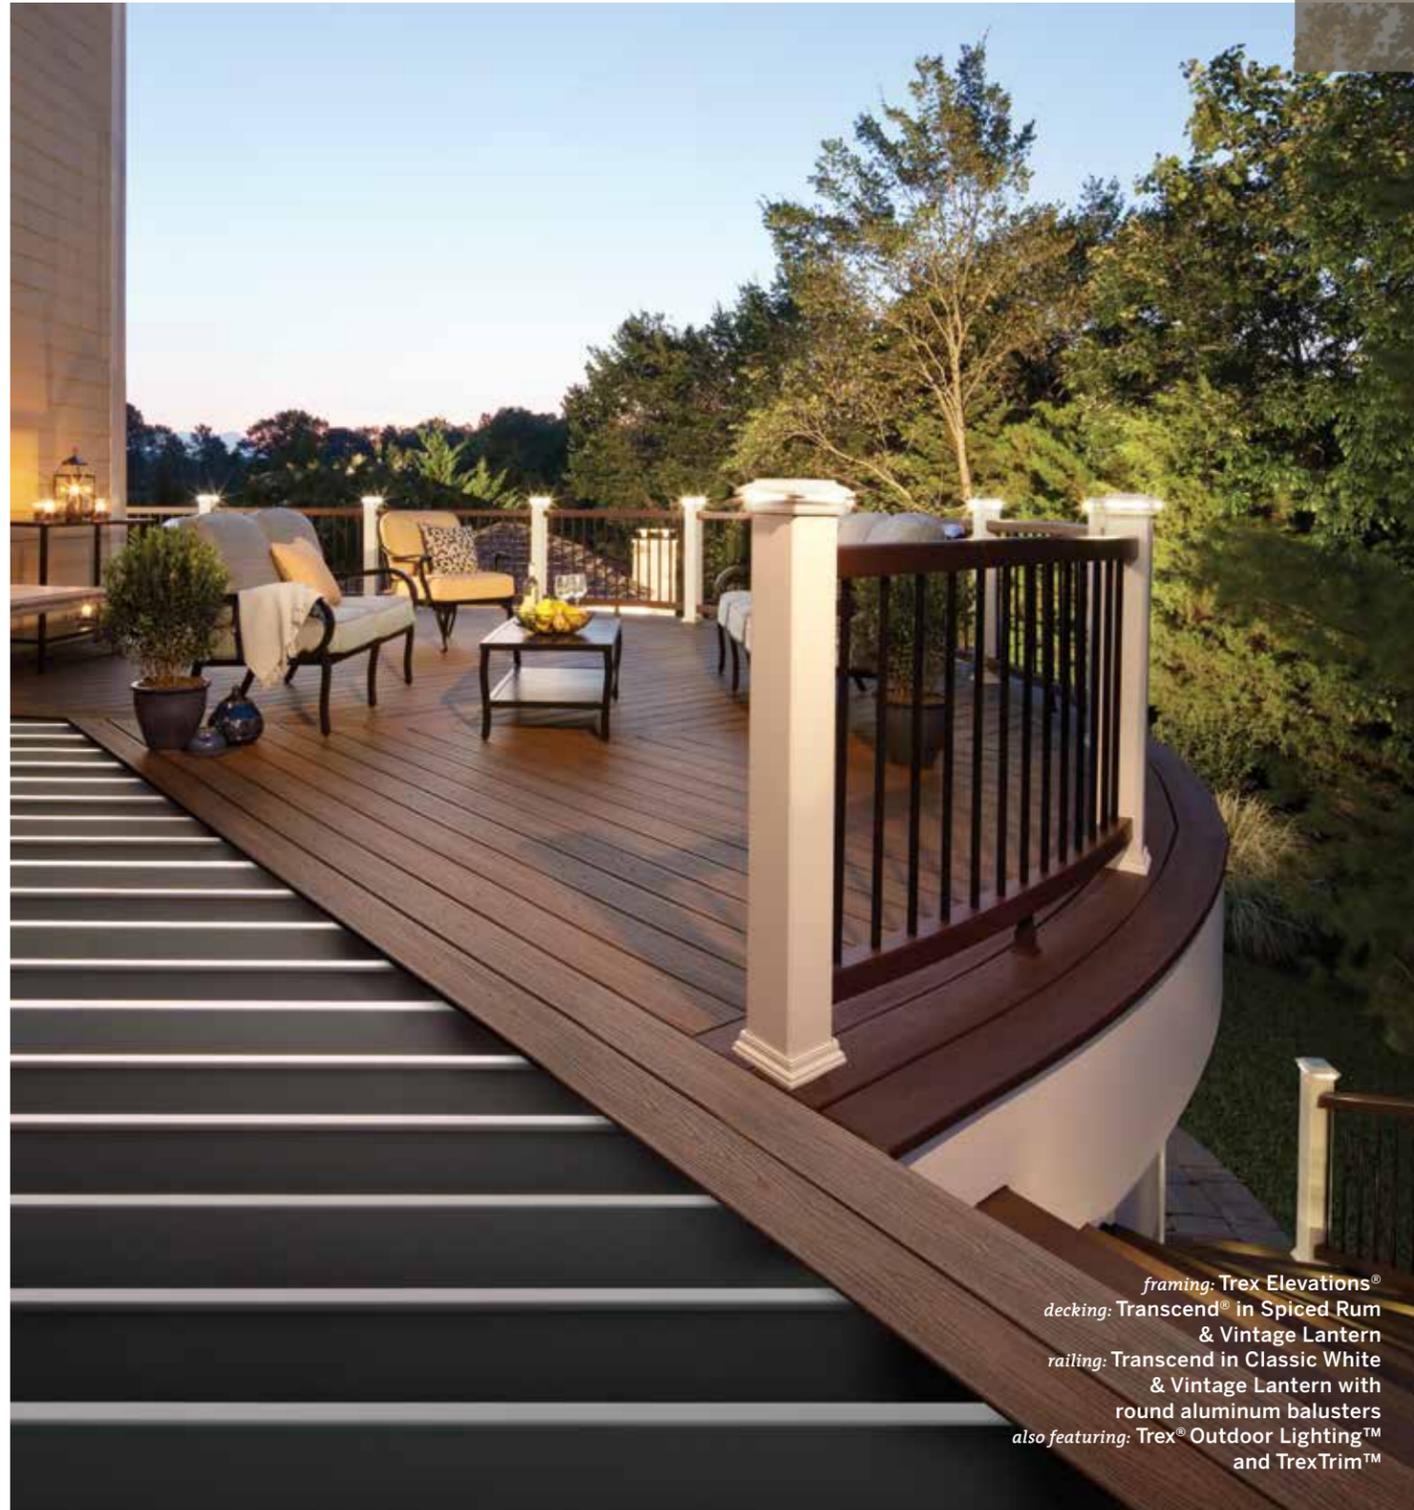

Why?

Because, in the end, all of us want to look out on our decks and know that we've done our part.

All Trex® decking is made from 95% recycled materials.

Trex Elevations®
STEEL DECK FRAMING

perfection built from the ground up

When you daydream about your dream deck, chances are you haven't given much thought to what lies beneath it. Even though your deck's substructure may not make the family photos, it's actually the most important part of your new outdoor space. Our high-performance steel beams, joists, tracks and deck support posts create the strongest, straightest and, yes, greenest structures down below.

High performance

» Strong steel enables consistent runs and enhanced stability

» Non-combustible material with a Class 1A fire rating offers peace of mind

» Rot- and termite-proof steel lasts much longer than wood

» CCRR 0186 code compliance research report

Perennial beauty

» Precise engineering enables curved deck designs and flat surfaces

» Longer spans allow for fewer posts and less obstructed views

» Neutral brown/grey finish blends with most decking colors

Trex® through and through

» Contains a minimum of 25% recycled steel and is a 100% renewable resource

» Compliant with the Wildland-Urban Interface and California State and San Diego County fire code

» Backed by the Trex 25-Year Limited Residential Warranty

Think about it: if you're going to invest in a long-lasting deck, don't you want its support to last just as long?
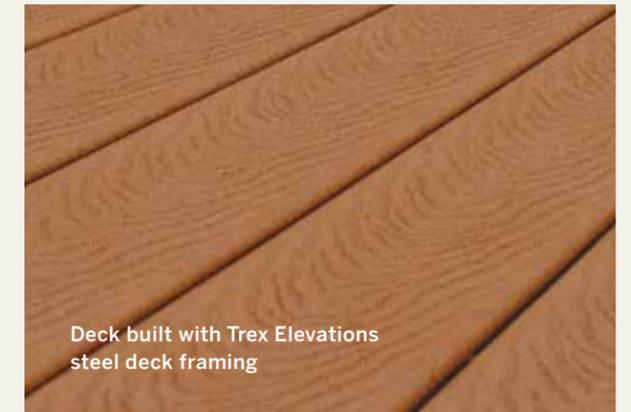

Trex Elevations was named one of the "101 Best New Products" for 2013 in Professional Builder *and* Professional Remodeler *magazines, and won a 2013 Platinum Award for Design Excellence (ADEX).*

THE OVERACHIEVER DOWN UNDER

Wood framing splits, warps and shifts over time, leading to an uneven surface that is echoed in the deck boards above. The dimensionally stable steel of Trex Elevations® stays in place, giving you consistently flat decking.

To watch a video demonstration, visit **trex.com**

Deck built with Trex Elevations steel deck framing

Deck built on a pressure-treated wood substructure

Due to increased risk of corrosion, Trex Elevations® may not be installed (1) within 3,000 ft (914.4 m) of any body of salt water or (2) under the surface or within the splash zone of any body of fresh water. Any such installations shall void the Trex Limited Warranty.

framing: **Trex Elevations®**
decking: **Transcend® in Spiced Rum & Vintage Lantern**
railing: **Transcend in Classic White & Vintage Lantern with round aluminum balusters**
*also featuring:* **Trex® Outdoor Lighting™ and TrexTrim™**

Trex Elevations® Steel Deck Support Posts are manufactured and sold by M. Cohen and Sons, Inc.

Trex Transcend®
DECKING & RAILING SYSTEM

outperforms, outlasts, outdecks all others

decking: Transcend in Lava Rock
railing: Transcend in Classic White with Fire Pit cocktail rail and glass panels

railing: Transcend in Classic White with Beveled rails in Vintage Lantern and round aluminum balusters
decking: Transcend in Spiced Rum & Vintage Lantern

UNPARALLELED BEAUTY

With high-traffic technology and a natural-looking wood-grain finish, Transcend® decking is specially designed to look ageless—even decades after it is installed. Featuring eight rich colors, our decking pairs seamlessly with our railing options to culminate in the deckscape of your dreams.

HASSLE FREE

No sanding. No staining. No painting. No kidding. In fact, the only major piece of maintenance your Transcend decking and railing require is washing with soap and water or a pressure washer,* compliments of the protective Transcend shell technology.

FADE, STAIN, SCRATCH AND MOLD RESISTANT

Mother Nature's worst continues to bring out our best. Whether a nasty Nor'easter or a scorching Arizona summer, Transcend maintains its vibrant color and luxurious finish. Same goes for man-made disasters. Wet planter pots, red-wine rings and dragged chaise lounges are no match for the Transcend fade-, stain-, scratch- and mold-resistant shell.

EARTH FRIENDLY

Transcend decking is made from 95% recycled materials, from reclaimed wood and sawdust to plastic packaging. And our railing contains at least 40% recycled material.

With a tough-as-nails protective shell, unrivaled low maintenance and wood-grain beauty to match, the one and only Transcend® decking is the ultimate expression of form and function. Pair it with our Transcend railing and you have an unmatched outdoor experience. Together they offer tons of design options, enabling you to put your signature on your outdoor living space with our signature luxury line.

Like what you don't see? Trex Hideaway® Hidden Fasteners are sub-surface clips that install our decking boards without traditional deck screws, leaving only a smooth, unfettered finish behind.

* See Care & Cleaning Guide at trex.com

TrexTranscend®
DECKING & RAILING SYSTEM

transcend with flying colors

decking and railing:
Transcend in Tree House & Vintage Lantern

TRANSCEND® DECKING

High performance

» Pairs beautifully with all Trex railing lines– try either a one-color look or a completely unique mix

Trex® through and through

» 95% recycled plastic, wood and sawdust keeps it green

» Backed by the industry-leading Trex 25-Year Limited Residential Fade & Stain Warranty

COMPATIBLE WITH ALL TREX® RAILING

No outdoor living space is complete without railing that perfectly captures its surroundings. Enhance® decks mix and match with all of our Trex railing lines. For complementary styles that will gain you plenty of compliments, check out **trex.com** for railing pairing suggestions.

UNFETTERED FINISH WITH TREX HIDEAWAY® HIDDEN FASTENING SYSTEM

The innovative Trex Hideaway Universal Fasteners are an option with grooved-edge boards for perfectly consistent spacing and no visible screws on top.

EARTH FRIENDLY

We don't harvest rainforests to make Trex. In fact, we've never even chopped down a single tree. Enhance decking is made from recycled materials, from reclaimed wood and sawdust to plastic packaging.

While white is a popular way to finish the edge of your deck, Trex goes one better with fascia to match all of our decking colors. See page 27 for more.

TrexSelect®
DECKING & RAILING SYSTEM

it's Trex®, simplified

TREX SELECT® DECKING

High performance

minimalist style,
maximum strength

railing: **Reveal in Classic White**
decking: **Transcend® in Gravel Path**

railing: **Reveal in Charcoal Black with Trex posts in Vintage Lantern**
decking: **Transcend in Tiki Torch & Lava Rock**

High performance

» Aluminum possesses unparalleled strength with minimal geometry

» Powder coating allows the aluminum to retain color and resist corrosion

» Washes clean with soap and water for low maintenance

» Offered with an array of bracket options for easy installation

Perennial beauty

» Perfect for a sleek, contemporary aesthetic in any setting

» Increases visibility to maximize scenic views

» Monochromatic design works with all types of projects

» Two baluster options (square and round) and two post choices (aluminum posts and composite post sleeves) available

» Over-the-post option creates a continuously graspable handrail

Trex® through and through

» Compatible with all Trex decking lines—not to mention stone patios, concrete porches and more

» Multiple post options for residential and commercial applications

» Backed by the Trex Reveal® Railing Limited Warranty*

» Aluminum is a 100% recyclable, renewable resource

Whether your favorite view is the city skyline, purple mountain majesties or galaxies far, far away, Trex Reveal® aluminum railing makes it a sight to behold. Sleek and minimalist, Trex Reveal aluminum railing is specially crafted to complete your deck while emphasizing the view beyond it. Reveal is hallmark Trex®, with sleek-yet-sturdy construction that easily spans long lengths for panoramic stretches. It can also be used across the entire Trex decking line, giving you a perfect stylistic alternative to pair with the deck of your dreams.

TREX *is the new* GOING OUT

1. Transcend® decking in Spiced Rum & Vintage Lantern works dynamically with a white pergola. Transcend railing in Classic White & Vintage Lantern with round aluminum balusters completes the look.

2. With the support of Trex Elevations® steel deck framing, Transcend decking's even finish in Tiki Torch stays festive for decades.

3. An Enhance® deck in Clam Shell and Beach Dune invokes a summer escape, no matter the season. Shown here with Transcend Classic White and Charcoal Black railing.

4. For a more natural wood feel, Transcend decking in Vintage Lantern pairs nicely with Tree House.

5. Transcend decking in Spiced Rum fits with any style, helping you to express yourself through your space.

6. A Transcend Classic White post cap light can highlight the elegant beauty of a Beveled top rail day or night.

7. Trex Select® railing is a classic, sturdy addition to any outdoor space.

8. Your outdoor oasis awaits with Transcend decking in Spiced Rum & Vintage Lantern and railing in Classic White & Vintage Lantern.

9. With Transcend Gravel Path flooring and Classic White railing and trim, the perfect porch is just a rocking chair away.

10. Transcend decking in Fire Pit creates the perfect place for the ultimate sunset-viewing experience.

11. Transcend decking and railing in Gravel Path can help create your own breezy backyard resort.
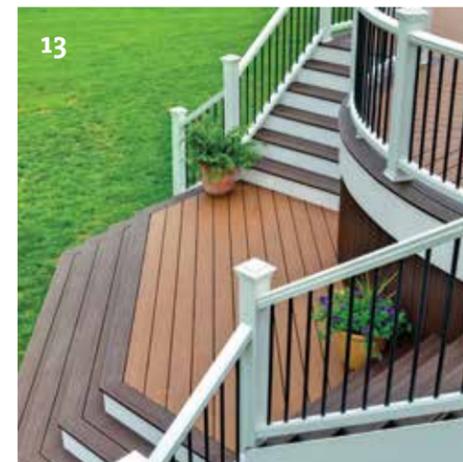

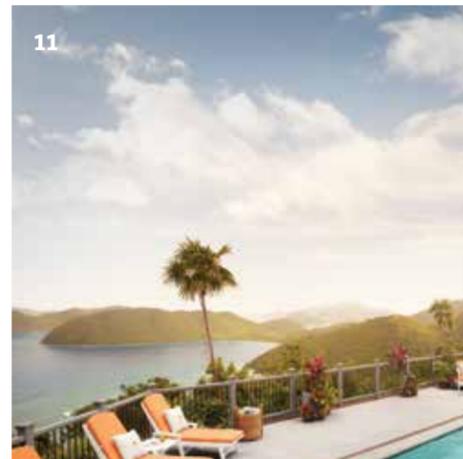

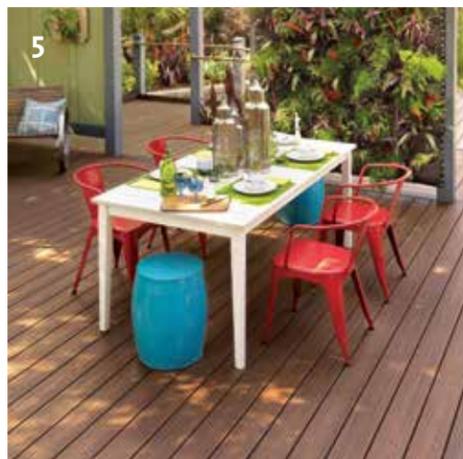

12. Trex Reveal® railing highlights any view and looks sharp with Transcend Vintage Lantern post sleeves and Transcend Lava Rock decking.

13. No matter the space, Transcend decking in Vintage Lantern & Tree House offers a winning combination, especially when matched with Classic White railing.

14. With the striking appearance of tropical hardwood, Transcend decking in Spiced Rum evokes the tropics no matter how far inland.
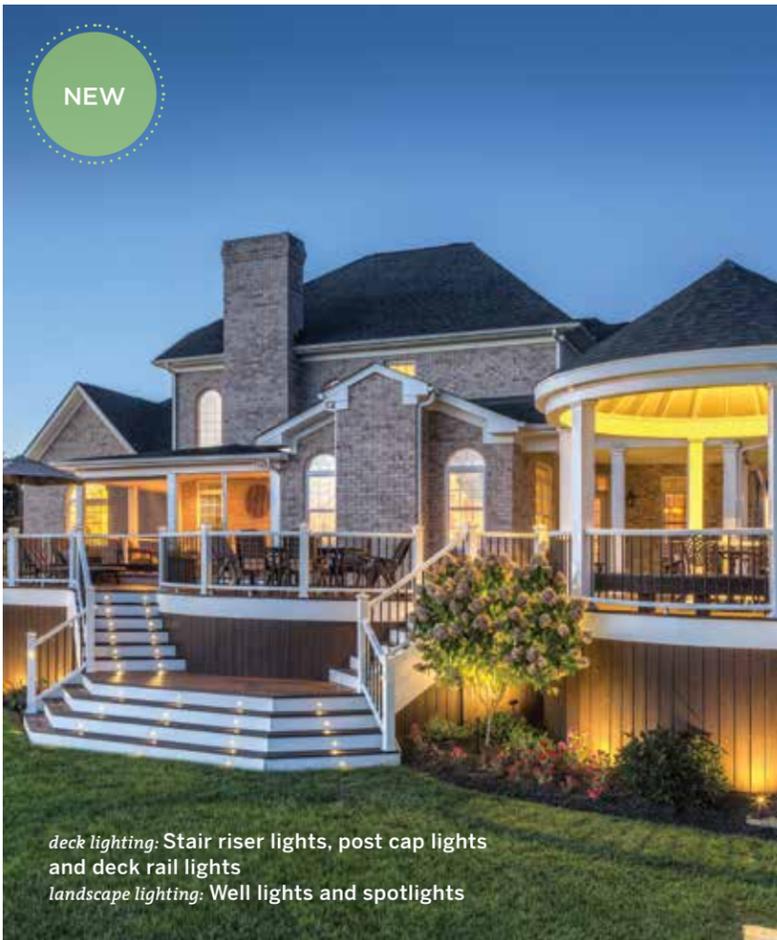

Trex® Outdoor Lighting™

the bright idea

NEW

deck lighting: **Stair riser lights, post cap lights and deck rail lights**
landscape lighting: **Well lights and spotlights**

With the right light, you can take any outdoor space from invisible to inviting. That's why Trex has expanded our lighting offering to cover the whole landscape. Trex® Outdoor Lighting™ enhances curb appeal with energy-efficient illumination that makes for safer nighttime strolls and impressive deckside ambience. Best of all, the lights install in a snap and disappear into their surroundings for a truly sophisticated look.

THE NEXT STEP?
WALKING ONTO YOUR NEW DECK.

You've seen what's possible with Trex®. Now let's figure out how we can help you make it happen.

FIRST COMES VIRTUAL REALITY.
THEN REALITY REALITY.

Start with our online resources. You'll find useful tools and features to help make your outdoor-living visions see the light of day–including an iPad app you can use to design your deck. Download and start dreaming.

FIND A TREXPRO®

We offer the largest nationwide network of TrexPro independent contractors. They not only know our products inside and out and have vast experience on the finer points of installation, they also can provide invaluable insight. To help find a contractor near you and see customer reviews, visit trex.com.

DIY, TOGETHER

Trex has always felt a kinship with the independent minded, which is just one of the reasons we've designed our projects to be easy to install. If you can work with wood, you'll love working with Trex. That said, there are many questions—from time commitments to zoning issues—you need to address before you decide to go it alone. To get started on your project, consult our online questionnaire.

The Trex Visualizer app has earned Gold Distinction from the Brand Builder Awards.

Find all this and more at **trex.com**. And should you need us, we're always available at 1-800-BUY-TREX or question@trex.com

RAILING— a lot easier than it looks

Selecting the right railing is pretty easy, but each Trex® railing line is a little different. Please read the system descriptions at the top of each product section so you can choose exactly which railing components you need to complete your design. For additional guidance, the chart to the left depicts each railing system's components.

TREX® POST COMPONENTS	REVEAL® RAILING
TRANSCEND® RAILING	TREX SELECT® RAILING

Trex Post Sleeves, Caps & Skirts

● **These components can be used as steps 1 & 2 for all Trex railing lines.**

STEP	COMPONENT		DESCRIPTION	ITEM NUMBER
1	Post Sleeve **Each 4x4 and 6x6 post sleeve fits over a 4x4 pressure treated post or equivalent post mount.**		4" x 4" x 39" Post Sleeve [4.45" x 4.45" x 40" (113 mm x 113 mm x 1016 mm) external dimensions]	XX040439APS

TREX® LIMITED WARRANTY

Trex Company, Inc. (hereinafter "Trex") warrants to the original purchaser ("Purchaser") that, for the period of time set forth in the following sentence, under normal use and service conditions, Trex® products shall be free from material defects in workmanship and materials, and shall not split, splinter, rot or suffer structural damage from termites or fungal decay. The term of such warranty shall be twenty-five (25) years from the date of original purchase for a residential application, and ten (10) years from the date of original purchase for a commercial application. If a defect occurs within the warranty period, Purchaser shall notify Trex in writing and, upon confirmation by an authorized Trex representative of the defect, Trex's sole responsibility shall be, at its option, to either replace the defective item or refund the portion of the purchase price paid by Purchaser for such defective item (not including the cost of its initial installation).

Notwithstanding the foregoing, (a) with respect to Trex® DeckLighting™, the term of the warranty for the LED lights and housing shall be seven (7) years, the term of the warranty for the dimmer, timer and transformer shall be three (3) years, in each case provided that a Trex transformer is used, and any other parts or accessories shall not be warranted, (b) with respect to hardware for the Trex® Surroundings® gate (gate frame, hinges and screws), the term of the warranty shall be five (5) years, (c) with respect to Trex Decorative Balusters, the term of the warranty covering the paint coating shall be ten (10) years, and shall be prorated in the following manner: 100% replacement for the first five (5) years; and 50% replacement for the next five (5) years, and (d) this warranty shall not apply to Trex Elevations® steel deck framing, Trex Reveal® aluminum railing and Trex Trim™ (which each have separate warranties).

For purposes of this warranty, a "residential application" shall refer to an installation of the Product on an individual residence, and a "commercial application" shall refer to any installation of the Product other than on an individual residence.

THIS WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF DEFECTIVE TREX PRODUCTS OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.

With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description of the claimed defect and proof of purchase, to the following address:

Trex Company, Inc.
Customer Relations
160 Exeter Drive
Winchester, VA 22603-8605

Trex does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any condition attributable to: (1) improper installation of Trex products and/or failure to abide by Trex's installation guidelines, including but not limited to improper gapping; (2) use of Trex products beyond normal use and service conditions, or in an application not recommended by Trex's guidelines and local building codes; (3) movement, distortion, collapse or settling of the ground or the supporting structure on which Trex products are installed; (4) any act of God (such as flooding, hurricane, earthquake, lightning, etc.), environmental condition (such as air pollution, mold, mildew, etc.), staining from foreign substances (such as dirt, grease, oil, etc.), or normal weathering (defined as exposure to sunlight, weather and atmosphere which will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains); (5) variations or changes in color of Trex products; (6) improper handling, storage, abuse or neglect of Trex products by Purchaser, the transferee or third parties; or (7) ordinary wear and tear.

No person or entity is authorized by Trex to make and Trex shall not be bound by any statement or representation as to the quality or performance of Trex products other than as contained in this warranty. This warranty may not be altered or amended except in a written instrument signed by Trex and Purchaser.

UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX'S LIABILITY WITH RESPECT TO DEFECTIVE PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

TREX TRANSCEND®, TREX ENHANCE®, TREX SELECT® AND TREX® FASCIA LIMITED FADE & STAIN WARRANTY

For the term set forth below, Trex Company, Inc. (hereinafter "Trex") warrants to the original end-user purchaser (the "Purchaser") that Trex Transcend® decking, porch or fascia, Trex Enhance® decking or fascia, Trex Select® decking or fascia or Trex Fascia, as the case may be (the "Product") will perform, under normal use and service conditions, as follows:

Term of Warranty: The term of this warranty shall begin on the date of original purchase, and shall end (1) twenty-five (25) years thereafter for a residential application of the Product, and (2) ten (10) years thereafter for a commercial application of the Product.

Residential/Commercial Application: For purposes of this warranty, a "residential application" shall refer to an installation of the Product on an individual residence, and a "commercial application" shall refer to any installation of the Product other than on an individual residence.

Fade Resistance: The Product shall not fade in color from light and weathering exposure as measured by color change of more than 5 Delta E (CIE) units.

The Product is designed to resist fading. No material is fade proof when exposed to years of UV exposure and the elements. The Product is designed to resist fading, and will not in any event fade by more than 5 Delta E (CIE) units.

Stain Resistance: The Product shall be resistant to permanent staining resulting from spills of food and beverage items including ketchup, mustard, salad oils, tea, wine, coffee, fruit punch, barbeque sauce, grease, sodas and other food and beverage related items that would typically be present on a residential deck, or mold and mildew naturally occurring in the environment, provided that such substances are removed from the Product with soap and water or mild household cleaners within one (1) week of exposure of the food or beverage to the surface or first appearance of the mold and mildew.

Notwithstanding the foregoing, Trex does not warrant that the Product is stain-proof, and does not warrant stain resistance resulting from spilled or otherwise applied food and beverage substances which are not properly cleaned as provided above within one (1) week of exposure. In addition, materials not covered in the stain resistant warranty include abrasive compounds of acidic or basic pH, paints or stains, strong solvents, metallic rust or other abnormal deck use items, and non-food and non-beverage substances, including but not limited to, biocides, fungicides, plant food, or bactericides. Mold and mildew can settle and grow on any outdoor surface, including this Product. You should periodically clean your deck to remove dirt and pollen that can feed mold and mildew. This warranty does not cover mold and mildew which is not properly cleaned as provided above within one (1) week of first appearance.

Standard Trex Company Limited Warranty: This warranty is in addition to the standard Trex Company Limited Warranty that applies to all Trex products.

Transferability: With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

EXCLUSIONS FROM WARRANTY COVERAGE:

Exposure to Heat: Direct or indirect contact with extreme heat sources (over 275 degrees) may cause fading and may damage the surface of the Product, and any effects of such exposure are expressly excluded from coverage under this warranty.

Surface Damage: Never use metal shovels or sharp-edged tools to remove snow and ice on the surface of the Product. If the surface of the Product is damaged or punctured, this warranty will be voided.

Paint or Other Materials Applied to the Product: If paint or other coating materials are applied to the Product, this warranty will be voided.

Railing: This warranty does not cover Trex Transcend® or Trex Select® railing components.

Other Exclusions: This warranty shall not cover any condition attributable to: (1) improper installation of the Product and/or failure to abide by Trex's installation guidelines, including but not limited to improper gapping; (2) use of the Product beyond normal use or service conditions, or in an application not recommended by Trex's guidelines and local building codes; (3) movement, distortion, collapse or settling of the ground or the supporting structure on which the Product is installed; (4) any act of God (such as flooding, hurricane, earthquake, lightning, etc.); (5) improper handling, storage, abuse or neglect of the Product by Purchaser, the transferee or third parties; (6) any fading or staining not on the walking surface of the Product (i.e., the underside or the ends of the Product); or (7) ordinary wear and tear.

Procedure for Making a Claim under this Warranty

In order to make a claim under this warranty, Purchaser must do the following:

1. If the Purchaser is making a claim relating to the warranty on stain resistance, Purchaser must do as follows:

(a) Purchaser must try to clean the affected area of the deck by using the cleaning procedures described above within one (1) week of exposure of the food or beverage to the Product or first appearance of the mold and mildew.

(b) If the affected area remains reasonably unsatisfactory after Purchaser has tried these cleaning procedures, then Purchaser must have the affected area of the deck professionally cleaned at Purchaser's expense.

(c) If the affected area remains reasonably unsatisfactory after the professional cleaning, Purchaser may make a claim under this warranty, provided that such claim is made within thirty (30) days after the professional cleaning.

2. To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description and photographs of the affected area of the Product, proof of purchase, and if the claim relates to the warranty on stain resistance, proof of compliance with paragraph 1. above, to the following address:

Trex Company, Inc.
Customer Relations
160 Exeter Drive
Winchester, VA 22603-8605

3. Upon confirmation by an authorized Trex representative of a valid claim hereunder, Trex's sole responsibility shall be, at its option, to either replace the affected item or refund the portion of the purchase price paid by Purchaser for such affected item (not including the cost of its initial installation). Replacement material will be provided that is as close as possible in color, design and quality as the replaced material, but Trex does not guarantee an exact match as colors and design may change.

4. If a valid warranty claim hereunder is made during years eleven (11) through twenty-five (25) after the original purchase for a residential application, recovery will be prorated. If Trex is providing replacement materials, it may elect to replace the percentage listed below of boards otherwise meeting the requirements for a claim, or if it is refunding the purchase price, it may elect to refund the percentage listed below of the purchase price of boards otherwise meeting the requirements for a claim.

YEAR OF WARRANTY CLAIM	PERCENTAGE RECOVERY
11	80%
12	80%
13	80%
14	60%
15	60%
16	60%
17	40%
18	40%
19	40%
20	20%
21	20%
22	20%
23	10%
24	10%
25	10%

5. **THIS WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF AFFECTED PRODUCT OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.**

UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX'S LIABILITY WITH RESPECT TO PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

TREX ELEVATIONS® LIMITED WARRANTY

Trex Company, Inc. ("Trex") warrants to the original purchaser ("Purchaser") that, for the period of time set forth in the following sentence, under normal use and service conditions, Trex Elevations® steel deck framing components shall be free from material defects in workmanship and materials and will not become structurally unfit, which is defined as corrosion causing a perforation of the component. The term of such warranty shall be twenty-five (25) years from the date of original purchase for a residential application, and ten (10) years from the date of original purchase for a commercial application. If a defect occurs within the warranty period, Purchaser shall notify Trex in writing and, upon confirmation by an authorized Trex representative of the defect, Trex's sole responsibility shall be, at its option, to either replace the defective item or refund the portion of the purchase price paid by Purchaser for such defective item (not including the cost of its initial installation).

For purposes of this warranty, a "residential application" shall refer to an installation of the Product on an individual residence, and a "commercial application" shall refer to any installation of the Product other than on an individual residence.

Salt Water Applications – Trex Elevations® may not be installed within 3,000 feet of any body of salt water due to increased risk of corrosion. Any such installation shall void this limited warranty.

Other Water Applications – Trex Elevations® may not be installed under the surface or within the splash zone of any body of fresh water due to increased risk of corrosion. Any such installation shall void this limited warranty.

THIS LIMITED WARRANTY SHALL NOT COVER AND TREX SHALL NOT BE RESPONSIBLE FOR COSTS AND EXPENSES INCURRED WITH RESPECT TO THE REMOVAL OF DEFECTIVE TREX PRODUCTS OR THE INSTALLATION OF REPLACEMENT MATERIALS, INCLUDING BUT NOT LIMITED TO LABOR AND FREIGHT.

With respect to a residential application, this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which the Trex products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which the Trex products were originally installed.

To make a claim under this limited warranty, Purchaser, or the transferee, shall send to Trex, within the warranty period referred to above, a description of the claimed defect and proof of purchase, to the following address:

Trex Company, Inc.
Customer Relations
160 Exeter Drive
Winchester, VA 22603-8605

Trex does not warrant against and is not responsible for any condition attributable to: (1) defects caused by improper installation or decay caused by fasteners; (2) use of Trex products beyond normal use or service conditions, or in an application not recommended by Trex's guidelines and local building codes; (3) corrosion caused by factors other than environmental or atmospheric processes; (4) failure to strictly abide by Trex Elevations® standard maintenance practices, as described

below; (5) movement, distortion, collapse or settling of the ground; (6) any act of God (such as flooding, hurricane, earthquake, lightning, etc.); (7) improper handling, storage, abuse or neglect of Trex Elevations® products by Purchaser, the transferee or third parties; or (8) ordinary wear and tear.

No person or entity is authorized by Trex to make and Trex shall not be bound by any statement or representation as to the quality or performance of Trex products other than as contained in this warranty. This warranty may not be altered or amended except in a written instrument signed by Trex and Purchaser.

UNDER NO CIRCUMSTANCES WILL TREX BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER SUCH DAMAGES ARE SOUGHT IN CONTRACT, IN TORT (INCLUDING BUT NOT LIMITED TO NEGLIGENCE AND STRICT LIABILITY) OR OTHERWISE, AND TREX'S LIABILITY WITH RESPECT TO DEFECTIVE TREX ELEVATIONS® PRODUCTS SHALL IN NO EVENT EXCEED THE REPLACEMENT OF SUCH PRODUCTS OR REFUND OF THE PURCHASE PRICE, AS DESCRIBED ABOVE.

Some States or Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from State to State or Province to Province.

TREX ELEVATIONS® MAINTENANCE REQUIREMENTS:

1. Observation: During construction, inspect all components for exposed steel, and cover the exposed area with Trex approved touch up paint in accordance with the Trex Product and Installation Guide. (Trex does not warrant touch up paint due to application variability.) Covering exposed areas with Trex approved touch up paint blends the blemishes into the same unique color of the components.

2. First Maintenance: Defined as the physical inspection of components in search of corrosion. Atmospheric and environmental conditions can affect the longevity of Trex Elevations®. Densities of air borne pollutants in certain atmospheres require adjustments in the maintenance and inspection schedules. You should conduct first maintenance within six (6) years after installation for a residential application and four (4) years after installation for a commercial application. If corrosion is identified, immediately begin corrosion management practices.

3. Inspection Schedule: After first maintenance, Trex Elevations® components must be inspected for structural integrity every two (2) to five (5) years for a residential application and every two (2) years for a commercial application. Integrity is inspected by tapping along the surface area of the components with a metal tool such as a screwdriver. If flaking of the exterior coat occurs or discrepancies of sound are heard, immediately begin corrosion management practices.

4. Corrosion Management: Sand any affected areas to twice the size of the corroded area with 80 grit sand paper. Reapply Trex approved touch up paint to the sanded area.
